NO SHOW POLICY

Our primary goal at Genesis MD is to offer quality care to all of our patients. We want to do that efficiently and in a timely fashion.

If you are unable to keep a scheduled appointment, please call at least one business day prior to your appointment. This will allow us to give patients waiting for a future appointment the opportunity to be seen earlier.

\$50 will be charged for missed annual exams and pre-operative clearance appointments.

\$25 will be charged for missed follow up or acute care appointments.

\$10 will be charged for missed lab appointments.

We recognize that there are times when you cannot give us a full day's notice. We will certainly consider this; however, three no-shows in a twelve month period of time could result in dismissal from this practice.
